

WATERTOWN-MAYER ROBOTICS

RAIDERS OF THE LOST SPARK

7530

CENTRAL MINNESOTA ROBOTICS CONFERENCE CHAMPIONSHIP

We had a very successful conference championship at Becker High School on October 11th. We entered this competition to train our new robot drive team members and they came out with a win! They did an awesome job.

RECENT FUN AT WATERTOWN-MAYER HIGH SCHOOL

HOMECOMING PARADE

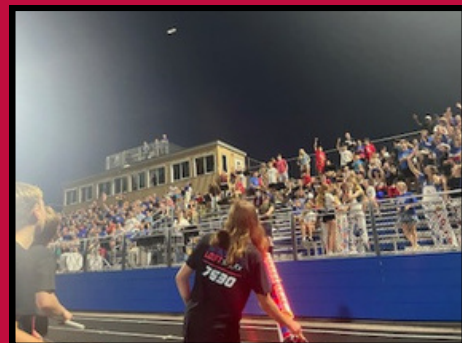

Launching candy from our robot is always a fun time. We were in the Watertown-Mayer homecoming parade on October 3rd and did a lot of candy launches.

HOMECOMING FOOTBALL GAME

Our t-shirt cannon robot is always a big hit at our school's homecoming football game. The spectators love trying to catch the high flying shirts. Go Royals!

COMMUNITY OUTREACH & VOLUNTEERING

CARVER COUNTY 4-H

We partnered with Carver County 4-H and participated in an event for kids to explore robotics. We made a playing field and had the kids drive our Romi robots.

RAILS TO TRAILS

This was our 5th time volunteering for the Watertown Lions Club at Rails to Trails in July. We helped run games in the Kid's Fun Zone. They are big supporters of our team so it feels good to give back to them.

NATIONAL NIGHT OUT

We enjoyed being part of the Mayer Area Lions National Night Out event on August 5th in Mayer. Our three seniors gave robot demonstrations and we also brought our plinko game for kids to play and win prizes.

SEEKING SPONSORS

We are in need of sponsors for our 2025-2026 Robotics Season. Our team's success wouldn't be possible without the help of our amazing sponsors. If you would like to support our team please visit our Sponsor Page on our website at wmrobotics7530.com where you will find our sponsorship letter.

Thanks to all of our past supporters. We really appreciate you!

2025-2026 SPONSORS

Watertown Lions Club

- Watertown-Mayer FFA Alumni
- Marketplace Foods
- Wiha Tools

Become a sponsor to our team by visiting our website at wmrobotics7530.com.
